Special Adult Classes offered this Fall

New and Perspective Member's Class -

If you have recently joined GBCE or you believe God is leading you to join then we invite you to attend this class. Led by Pastor Bill Hilley and his wife Leila, this class is designed to help you understand more about the history of GBCE, along with our mission statement, core values, and why we believe what we believe. It begins Wednesday, October 4, and lasts for 6 weeks. Call Church office to register. The class will meet in Room 109/110.

Financial Peace University -

This is a class that offers a biblical perspective on money and how to honor God with our saving, our spending, and our giving. This world-renowned class has helped millions of people become debt free, including many right here in our own church family. It will be led by Rose Ann Corbin and Shawn Whitman. It begins Wednesday, September 20, and lasts for 9 weeks. Childcare is provided. Please note that this class does have a little different start time. It starts at 6:00pm and ends at 7:30pm. The class will meet in Room 111. This class is being promoted outside of our church family, so feel free to extend an invitation to whomever you feel led to. Use QR code to register.

Marriage Class -

Join other couples for a time of marriage enrichment to study the popular Dave and Ashley Willis curriculum, "The Naked Marriage". The class will be facilitated by Terry and Jo Ann Bowden beginning Wednesday, October 4, and lasting 5 weeks. The cost is \$25 to cover the personal workbooks. Registration is required and can be done on the church website. The class will meet in Room 112. This class is being promoted outside of our church family, so feel free to extend an invitation to whomever you feel led to invite.

Women's Bible Study -

We are excited to offer this new women's group studying the popular Priscilla Shirer study "The Armor of God". This class is being led by Andrea Shubin and will start on Wednesday, October 4. It is a 7-week study but the duration of the class will be determined by the pace of the participants. We anticipate the study will take longer than 7 weeks, and that's ok. The cost is \$15 to cover the cost of the personal workbooks. Feel free to invite a friend. Registration is required and can be done on the church website. The class will meet in Room 202.
