

How to Join Grace Baptist Church

At the end of the Worship Service, we will sing a hymn of decision. During this time, you are invited to walk to the front of the Church in response to the leading of the Holy Spirit that you sense in your heart or mind. Our Pastor and a counselor will be at the front to talk with you about your decision.

One of the decisions you may wish to make is to become a member of Grace Baptist Church. You may do so by telling the Pastor or Staff Member one of the following:

- I want to trust Jesus Christ as Savior and Lord, but don't understand how. I need someone to help me.
- I have accepted Jesus Christ as Savior and Lord and desire New Testament baptism.
- I have previously received Jesus Christ as Savior and Lord. The Church I joined did not practice New Testament baptism, so I want to be baptized and join Grace Baptist Church.
- I am a member of another Baptist Church and want to join Grace Baptist on a promise letter from that Church.
- I have previously received Christ and was baptized into a Church by New Testament baptism, however, the record of my Church membership is unavailable, or I have been a member of another denomination and wish to return to a Baptist Church.

If none of the above are an expression of your desire, you may schedule an appointment with Pastor Hilley or a Staff Member by calling the Church Office at 706-868-9729.

Changing our world by loving God & loving each other!

GRACE BAPTIST EVANS

Dear Grace Baptist Family and Friends,

I've heard of several of you lately that "I'm to blame for this heat." I wish I could take credit because this is my time of the year for sure. Don't get me wrong. I'll concede that it doesn't need to get any hotter. This is unseasonably hot. And if July and August temperatures increase to the same degree they typically do, we're going to break all kinds of records. I doubt very seriously that we will. I think our seasons are changing. Yet I'm not a "climate change alarmist." Our climate has been changing since Noah's flood. And one thing I am absolutely certain of is that our politicians in Washington, D.C. aren't going to be able to stop it. They know that too. But they "never let a good crisis go to waste." So they'll use it, just as they've used previous changes, to raise taxes and spend a lot of money to ensure their reelection. I wish I could be more positive about those we have elected to represent us in our nation's capital. I was 50 years ago. But I've seen too much now and they're mostly a bunch of scoundrels. So while many of them profess faith in Jesus Christ, I have a very strong suspicion that a place much hotter than this awaits them if they don't get right with God. Thankfully, they aren't my problem. I'm my problem. So I'd better heed the same warning because nobody wants to spend forever in a place that'll make the Augusta area look like a tropical paradise. Hell is real. If we believe that, we have a God given responsibility to warn others against it. But we don't have to preach a sermon to them. Simply be "the love of Jesus Christ." Let them see true joy in our lives even when we're facing adversity. They'll recognize the difference in our lives. Nothing more is required for them to ask the reason we're different. His name is Jesus! Speak it often! I love you! God bless you!
